This document gives your details on how our tastings are set up. Please feel free to give us a call at 443.977.2579 or email us at melatbakery@gmail.com for any questions or concerns. Our ultimate goal is to please our customers!!

Our Event/ Wedding tasting are set up in stages and there are 4 stages to cover. Please see below.

Stage One: Tasting Consult

Our first stage is just the Tasting Consult. This is an over the phone meeting that last for approximately 15 minutes. We just want to gather some details to get a feel of the event/ wedding. We can also set up the cake tasting for a later date. Our Cakeologist will explain our cake tasting options below.

Stage Two: Tasting

Now that we have a feel of the event/wedding, we now want you to be satisfied with the quality of our product! No traveling needed for you, our Cakeologist will come to you for the tasting!

As stated earlier, we offer 2 options for cake tastings. We will confirm the type of tasting you are interested in during the Tasting consult so we can be prepared for your tasting appointment.

- Standard Tasting- Offers about 2 flavors free of charge for plating for a party of 2 or 3. This is a free tasting and flavors are not guaranteed. We offer the flavors that are available at the time of tasting.
- Customized tasting- This tasting offers you a choice of customizing your tasting experience. We offer our customized tasting starting at \$25.00 (Depending on the cake flavor, icing, and filling). You will receive plating for up to a party of 4. (If you decide to book Mela T Bakery for your event/wedding, the cost of tasting will be deducted from the final bill)

(Our Cakeologist will discuss pricing during the phone interview)

Stage Three: Final Consult

If we were able to wow your with our tasting, you have now decided to proceed forward with a final consult on ideas, visions, and overall cake set up for your event/wedding. Some of our clients go right into this stage during the tasting because they are already decided to proceed forward with Mela T Bakery. Others are given more time to decide and we will set up the final consult at a later date.

When meeting with one of our Cakeologist, be prepared to discuss:
